VICE PRESIDENT'S CORNER

HARRY E. (GENE) REED

As the reunion gets closer I get excited about the fact I will once again see my brothers and break bread with them. We have lost several members in the last year and a past Vice President (Richard "Dick" Gene Elwood) this year, all will be missed. It will be an honor to drink a toast on behalf our fallen.

The association has some great things going on for this reunion that will make it more than worth your while to attend. The welcome packets will have several gift items in them and that's just the beginning. Just because the reunion doesn't officially kick off until 27 – 29 September 2018 doesn't mean you can't come earlier. We can start the celebration before the celebration starts.

See you in Branson

WEB SITE CORNER

HARRY E. (GENE) REED

As we all know time is a precious commodity and unfortunately I seem to be running out of it every day. With that being said I have enlisted the help of Earl Shatzer. Earl served with the 13th from 1967-1968 in HQ Company at Camp Casey. With Earl's help I hope we can keep the website up to date in a timelier manner. With the help of the website developer I am putting together a user manual so Earl and I don't have to relearn everything to keep the updates following.

I want to continue to encourage all members to send in any photos, comments or anything else that you may think our brothers will enjoy seeing or hearing about.

And finally as you navigate the website please let us know of any problems you may have or suggestion to help improve the site.

Thank You (Engineers Clear the Way)

Gene Reed (317) 268-6455

"Missing Man Table" plaque that contained the following:

"This table is reserved to honor our missing comrades in arms. The tablecloth is white — symbolizing the purity of their motives when answering the call of duty.

The single red rose, displayed in a vase, reminds us of the life of each of the missing and their loved ones and friends of these Americans who keep the faith, awaiting answers.

The vase is tied with a red ribbon, symbol of our continued determination to account for our missing.

A pinch of salt symbolizes the tears endured by those missing and their families who seek answers.

The Bible represents the strength gained through faith to sustain those lost from our country, founded as one nation under God.

The glass is inverted — to symbolize their inability to share this evening's toast.

The chair is empty — they are missing."

TREASURE'S CORNER= JES D. MCIVER

Treasurer's Corner

The treasurer is pleased to report the Association's finances are in good shape. Its bank account is adequate to handle all known expense. As usual I am asking you to remember that we need to make gifts to the newsletter fund to keep the newsletter coming. The newsletter is what holds the association together.

Guys please make every effort to attend the coming reunion. Branson is a great place to have good times and our reunions are the only times we have to get together.

Our president has worked hard to put it all together and let's take advantage of the good prices.

WELCOME BUFFET, THURSDAY

SECRETARY CORNER - RONALD L. SALVADOR

We are only two months away from our reunion in Branson, and I'm really looking forward to seeing the members who have registered. Unfortunately, not a whole lot of people have responded, and we hope that the number increases very soon. We all know we are getting older and travel is more difficult for many of us, but, realistically, this could be the last reunion that many of us are physically able to attend. Things in Branson are set, and the individual cost is as low as we were permitted to reduce it at Association expense. If you are on the fence about attending, give it a second consideration of the future and register now.

From the Secretary's point of view, we are down to 150 members, and 7 members will have been delinquent for one year in October (Card expiration of **2017**). If they do not renew their memberships by then, they will be moved to Inactive status, will no longer receive newsletters and cannot participate in Association business. For those who have an expiration in 2018, your year of delinquency begins in October and to be current you must be paid to 2020, our next reunion. PLEASE! PLEASE! Check your member card or the address label on the newsletter to be sure what your expiration date is and then renew --- we need you and want to keep you as a member.

Another Very Important Business Item: After more than fourteen years for each of them serving this Association, both Billy Quinton and Jes McIver have stated their intentions to retire at this reunion. They will leave two really big voids to fill as the Treasurer and the Newsletter Editor --- This is a call for help from anyone who has bookkeeping or writing experience or just a desire to serve the Association --- please step up and offer yourself for nomination for election to these two slots. If you feel interested and challenged, please let one of the officers know by any communication you choose prior to the reunion.
